

Today, we count over 1,000
community-based organizations,
including churches, libraries, and
PTAs, as our partners.

A woman with dark, curly hair is sitting cross-legged on a rooftop. She is wearing a dark tank top and light blue jeans. She is smiling and talking on a black mobile phone held to her right ear. A laptop is open in front of her. The background shows a brick building and a metal railing.

From Call to Install

“The Internet Essentials program is a perfect example of how a local school system, city government and the business community can all work together to create solutions that move our entire community forward.”

– Miami Mayor Tomas Regalado, August 2011
